An underwater scene with a school of fish swimming in clear blue water. A large, white, wireframe graphic, resembling a stylized fish or a net, is overlaid on the right side of the image. The graphic is composed of many thin, white lines that form a grid-like structure, curving and flowing through the water. The fish are of various species, including some larger ones and many smaller ones, all swimming in the same direction. The overall color palette is dominated by shades of blue, from light turquoise to deep navy blue.
