SN-192 Snorkel

- Silicone Tube
- Silicone Mouthpiece

SN-193 Snorkel

- Silicone Tube
- Silicone Mouthpiece

The background is a deep blue underwater scene filled with a school of fish of various species. Overlaid on the right side is a white, three-dimensional wireframe graphic that resembles a stylized, flowing shape, possibly representing a piece of machinery or a structural component. The wireframe is composed of many thin, parallel lines that curve and intersect to form a mesh-like structure.
